

Reverend Vonda McFadden was born in Oklahoma City, Oklahoma and raised in Krebs, Oklahoma. She attended Eastern Oklahoma State College, Claremont School of Theology and graduated from St. Paul School of Theology in Leawood Kansas.

Vonda has served as the pastor of Castle Rock United Methodist Church, Winlock United Methodist Church, and has been serving at Kelso United Methodist Presbyterian Church since July of 2013. She has worked with United Way of Kansas, Connecting Point of Wichita, and is actively involved with Love Overwhelming in serving the homeless. She supports the Emergency Support Shelter and of course Family Promise of Cowlitz County.

Vonda has lived all over this beautiful country: Oklahoma, Texas, Kansas, Virginia, Oregon, and Washington. Vonda and her husband Tom enjoy camping—or should we say “glamping”—in their 40-foot Fifth Wheel, which they will retire in one day. They have a daughter, Heather (Brandon), and a son, Lonnie. They also enjoy spending time with their two grandchildren Haylee and Piper.
